9599007 – AIR FORCE ONE BRAKING SYSTEM
9599019– AFO W/ WIRELESS COACHLINK

WHY AIR FORCE ONE

- Engineered for diesel RVs with air brakes
- Demco-exclusive integrated breakaway system
- Meets chassis warranty & Federal D.O.T. / FMVSS requirements
- Patented actuator helps your RV and towed vehicle brake as one

Air Force One is among the smallest, best performing tow braking systems available, providing 100% proportionate braking performance that adjustable systems simply can't match. Equipped with Demco's patented actuator, you'll feel as if your coach and your car are braking together as one.

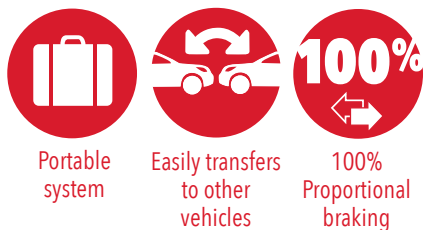

9599006 – STAY-IN-PLAY DUO BRAKING SYSTEM
9599018– DUO W/ WIRELESS COACHLINK

WHY STAY-IN-PLAY DUO

- Engineered for gas RVs with hydraulic brakes
- Demco-exclusive integrated breakaway system
- Unique dual-signal activation
- G-Force controller lets you adjust braking power
- Patented actuator helps your RV and towed vehicle brake as one

Stay In Play Duo uses both air pressure and vacuum power to bring you one of the fastest and most powerful supplemental braking systems on sale today. Duo's dual-signal activation system eliminates the need for complicated electronics, while Demco's patented actuator lets you feel the brakes being applied to both your RV and your towed vehicle.

9599004 – DELTA FORCE BRAKING SYSTEM

WHY DELTA FORCE

- Engineered for both gas and diesel RVs
- Set it Once pedal clamp
- Up to 75% smaller than other portable systems
- Features Coachlink wireless notification system

The ultimate portable braking system, Delta Force delivers maximum stopping power in a lightweight package you can transfer with ease. Loaded with proprietary features such as the Set it Once pedal clamp and an aviation-grade steel tether, Delta Force will never make contact with your driver's seat.

THE RV LIFESTYLE is just as much about the journey as it is the destination. Don't let steep descents, sudden stopped traffic and reckless drivers ruin your journey. Towing without a braking system can add 100+ feet to the stopping distance of your motorhome.

With a Demco tow braking system, you get **significantly shorter stopping distances*** and more, including the **best warranty** in the business, and a quality product built for RVers, by RVers, right here in the U.S.A.

So before you set out on your next road trip, ask yourself, "Who's got my back?"

STOP YOUR COACH
