TB11028 Rev. 2 11/19
performing tow braking systems available, providing Demco’s patented actuator, you’ll feel as if your adjustable systems simply can’t match. Equipped coach and your car are braking together as one.

**5 Year Warranty**

- Patented actuator helps your RV and towed vehicle brake as one
- Features Coachlink wireless notification system
- Fully transferable to a new vehicle
- 100% proportionate braking

**WHY AIR FORCE ONE**

- Integrated system engineered for gas RVs with hydraulic brakes
- Zero setup time to tow
- Demco-exclusive integrated breakaway system
- Fully transferable to a new vehicle
- Unique dual-signal activation
- Q-Force controller lets you adjust braking power
- Patented actuator helps your RV and towed vehicle brake as one
- 5 Year Warranty

**WHY STAY-IN-PLAY DUO**

- Integrated system engineered for both gas and diesel RVs
- Easily transfers from vehicle to vehicle
- 100% proportionate braking
- Set 2 Once pedal clamp
- Up to 75% smaller than other portable systems
- Features Coachlink wireless notification system
- 5 Year Warranty

**WHY DELTA FORCE**

- Portable system engineered for both gas and diesel RVs
- Fully transferable to a new vehicle
- Unique dual-signal activation
- Q-Force controller lets you adjust braking power
- Patented actuator helps your RV and towed vehicle brake as one
- 5 Year Warranty

**PRODUCT DESCRIPTION**

Air Force One is among the smallest, best performing tow braking systems available, providing 100% proportionate braking performance that adjustable systems simply can’t match. Equipped with Demco’s patented actuator, you’ll feel as if your coach and your car are braking together as one.

**WHAT’S INCLUDED**

- 2 Built-in calipers
- 2 Front Air lines
- 2 Rear Air lines
- Air Pressure Stop Switch
- Dual Air lines
- Front Brake Air line
- Rear Brake Air line
- Brake Line Stop Switch
- Master Cylinder

**PRODUCT DESCRIPTION**

Stay In Play Duo uses both air pressure and vacuum power to bring you one of the fastest and most powerful supplemental braking systems on the market today. Duo’s dual-signal activation system eliminates the need for complicated electronics, while Demco’s patented actuator lets you feel the braking being applied to both your RV and your towed vehicle.

**WHAT’S INCLUDED**

- 2002-2015 Models
- 2 Rear Air lines
- 2 Front Air lines
- Air Pressure Stop Switch
- Dual Air lines
- Front Brake Air line
- Rear Brake Air line
- Brake Line Stop Switch
- Master Cylinder

**PRODUCT DESCRIPTION**

The ultimate portable braking system, Delta Force delivers maximum stopping power in a lightweight package you can transfer with ease. Loaded with proprietary features such as the Set it Once pedal clamp and an aviation-grade steel tether, Delta Force will never make contact with your driver’s seat.

**WHAT’S INCLUDED**

- 2 Rear Air lines
- 2 Front Air lines
- Air Pressure Stop Switch
- Dual Air lines
- Front Brake Air line
- Rear Brake Air line
- Brake Line Stop Switch
- Master Cylinder

**SUPPLEMENTAL BRAKING SYSTEM ACCESSORIES**

- Set it Once brake line clamp
- G-Force controller lets you adjust braking power
- Unique dual-signal activation
- Q-Force controller lets you adjust braking power
- Patented actuator helps your RV and towed vehicle brake as one
- 5 Year Warranty

**THE HAZARDS OF TOWING WITHOUT A BRAKING SYSTEM**

1. Longer Stopping Distances
2. Tow Bar Damage
3. Breakaways
4. Potential Legal Trouble
5. Vehicle Damage
6. Contingent Liabilities

**THE RV LIFESTYLE**

is just as much about the journey as it is the destination. Don’t let steep descents, sudden stopped traffic and reckless drivers ruin your journey. Towing without a braking system can add 100+ feet to the stopping distance of your motorhome.

With a Demco tow braking system, you get significantly shorter stopping distances* and more, including the best warranty in the business, and a quality product built for RVs, by RVers, right here in the U.S.A.

So before you set out on your next road trip, ask yourself, “Who’s got my back?”

**STOP YOUR COACH FASTER!**

**RESULTS FROM 60 MPH**

- **No Demco System**
  - **250-280 Feet**
- **With Demco Systems**
  - **170-205 Feet**

**EVERY DEMCO TOW BRAKING SYSTEM INCLUDES:**

An Industry-Leading 5-Year Warranty • A Design That Fits All Vehicles • Even Hybrids

**IT’S THE LAW**

**SUPPLEMENTAL BRAKING SYSTEMS ARE REQUIRED**

Towing a vehicle without a supplemental braking system is illegal in all 50 states and all Canadian provinces. Tow legal. Tow safe. Tow with a Demco braking system.

**MAP KEY**

- **250-280 Feet**
- **170-205 Feet**

**EASY DEMCO TOW BRAKING SYSTEMS INCLUDES:**

- An Industry-Leading 5-Year Warranty • A Design That Fits All Vehicles • Even Hybrids

**$100 OFF**
