DUAL AUGER GRAIN CARTS

1700 DA
2200 DA

BUSHEL CAPACITY

	1700	2200
Level Full	1750	2200
Heaped	1900	2350

Bushel capacity measured with #2 corn at 15% moisture content (56 lb. test weight)

- DEMCO's newest Dual Auger Grain Cart design is available in **RIGHT SIDE** or **LEFT SIDE** unloading auger positions. The **NEW FRONT FOLDING AUGER** design allows us to maintain low clearance on both sides of the grain cart.
- These carts will maintain our corner auger design that gives the grain cart operator optimal visibility while unloading grain
- Demco grain carts are tough and reliable and help make our harvest operation productive and smooth
- Available on ALL Dual Auger Models in 2024 including the new 1500 Dual Auger Grain Cart

Demco's own forward reach and height adjust unloading auger!

picture shown is of 2023 side folding auger

STANDARD FEATURES

- 1 3/4 - 1000 RPM PTO
- Protect auger driver and tractor PTO with the automatic reset "cut-out" clutch with overrunning clutch
- NO Pulleys or Belts! PTO driven drivetrain. Gearbox includes 2 output PTO shafts (1 for horizontal auger and 1 for vertical auger).
- Adjustable austempered cast hitch, fits category 4 or 5 hammer strap tractor drawbar
- Grain viewing windows
- 10,000 lb. drop-leg tongue jack with separate storage position provides tighter turning radius
- Hand wheel operated clean-out door at bottom of auger for easy post season clean-out
- High visibility - reflective decals & LED lights
- Narrow transport width - 14'
- Better clearance - low side cart height ONLY 11'1" (1700) and 11'8" (2200)
- Low center of gravity for side hill stability
- 6 lever operated doors for trough clean-out
- Backlit ergonomic pendant (requires 1 remote outlet)
- Roll tarp
- 5-point scale system (monitor not included)

DUAL AUGERS

- 22" diameter vertical auger with 3/8" flighting and Posi-Drive connection
- 20" horizontal drag auger
- UltraFlyte made with 1008/1010 high carbon steel including a thicker outer edge, resulting in up to 50% longer wear and faster conveying
- Forward reach auger for optimum operator visibility - adjusts vertically from 12' to 16' to help prevent grain spilling
- Auger folds within the width of the box for compact transporting and storage
- 2 stage unload auger folding cylinder

OPTIONS

- Electric roll tarp
- Auto gate shutoff for drag auger doors (requires the Libra Cart Wireless Scale)
- Hydraulic Jack

SINGLE AUGER GRAIN CARTS

650
750

BUSHEL CAPACITY

	650	750
Level Full	625	700
Heaped	675	725

Bushel capacity measured with #2 corn at 15% moisture content (56 lb. test weight)

Optional Feature

EASY TO
FUNCTION IN
THE DARK

BACK LIT PENDANT GRIP

Optional ergonomic pendant operates grain flow gate, auger fold, and adjustable spout

HYDRAULICS NOTES:

- A standard grain cart requires two hydraulic remotes.

COLORS AVAILABLE:

NOTE: Demco grain carts are not to be towed down the road loaded

STANDARD FEATURES

- 1000 RPM PTO
- **Protect auger driver and tractor PTO** with the automatic reset “cut-out” clutch with overrunning clutch
- 2 grain viewing windows
- 7,000 lb. drop-leg tongue jack with separate storage position **provides tighter turning radius**
- Hand wheel operated clean-out door at bottom of auger for **easy post season clean-out**
- 30” hydraulic controlled flow gate
- **High visibility** - reflective decals
- LED Tail, flasher / turn signal lights and auger spotlight for nighttime operation
- **Transport width: 12’ 9”**
- Welded box construction with silicone sealed seams resists rust and corrosion
- 22,500 lb. Ductile Iron Hubs

AUGER

- 14” diameter balanced auger with 3/8” flighting and Posi-Drive connection
- UltraFlyte made with 1008/1010 high carbon steel including a thicker outer edge, resulting in up to 50% longer wear and faster conveying
- Forward reach auger for optimum operator visibility
- Auger folds within the width of the box for compact transporting and storage

OPTIONS

- Hydraulic Drive Kit (15-25 GPM oil flow required)
- Roll top tarp
- Ergonomic pendant control
- Adjustable auger spout
- Scale Kits

Demco Grain Tank Tip-ups are vertical panels that add to either the Demco Grain Tank Extension or to the factory OEM extension for added bushel capacity

Demco Grain Tank Extension replaces the factory extension for added bushel capacity and lower clearance of the combine

Demco Grain Tank Extensions allow you to add more capacity by replacing the factory extension

STANDARD FEATURES

- 3” formed channel frame provides unmatched strength and stability
- Rear entry step for added safety and convenience on Generation II extensions
- Corner caps on all Generation II extensions to prevent leakage
- Quick and easy fold down of extension for lower transport height

SPECIAL INFORMATION

PRICES & SPECIFICATIONS

All prices and specifications are subject to change without notice. All shipments are billed at price prevailing at time of shipments. ALL PRICES F.O.B. BOYDEN OR SPENCER, IOWA OR AS DESIGNATED IN THIS CATALOG.

TERMS

Customers desiring credit must have good rating or furnish satisfactory reference before shipment will be made, otherwise all orders will be shipped C.O.D. No cash discounts allowed with C.O.D. shipments.

ORDERING

Prospective customers requesting open account status will be required to complete a Demco credit application. If open terms cannot be approved, other means of payment will be considered. Please furnish a completed Demco credit application with your first order.

SHIPMENTS

Our merchandise is carefully packed and thoroughly inspected before leaving our factory. Responsibility for its safe delivery is assumed by the carrier upon acceptance of the shipment. Claims for loss or damage sustained in transit must therefore be made upon the delivering carrier as follows:

CONCEALED LOSS OR DAMAGE - Concealed loss or damage means loss or damage which does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When the damage is discovered upon unpacking, make a written request for inspection by the carrier's agent within 15 days of the delivery date. Then file a claim with the carrier, since such damage is the carrier's responsibility.

VISIBLE LOSS OR DAMAGE - Any external evidence of loss or damage must be noted on the freight bill or express receipt, and signed by the carrier's agent. Failure to adequately describe such external evidence of loss or damage may result in the carrier refusing to honor a damage claim. The form required to file a claim will be supplied by the carrier.

SHIPPING ERRORS

Shipping errors resulting in shortages or goods ordered incorrectly by the customer, must be reported to Demco Mfg. within 10 days after receipt of merchandise.

PICK UP ORDERS

All orders picked up and signed for by the customer or customer's agent at the Boyden or Spencer, Iowa plants are considered complete as signed. Customer will receive a copy of signed order at time of loading.

PARCEL POST, U.P.S., FEDERAL EXPRESS & FREIGHT

Due to the special packing and handling on Parcel Post and United Parcel shipments, a combined shipping and handling fee will be charged on each carton. Weight limitations are as follows:

Parcel Post = 70 lbs.

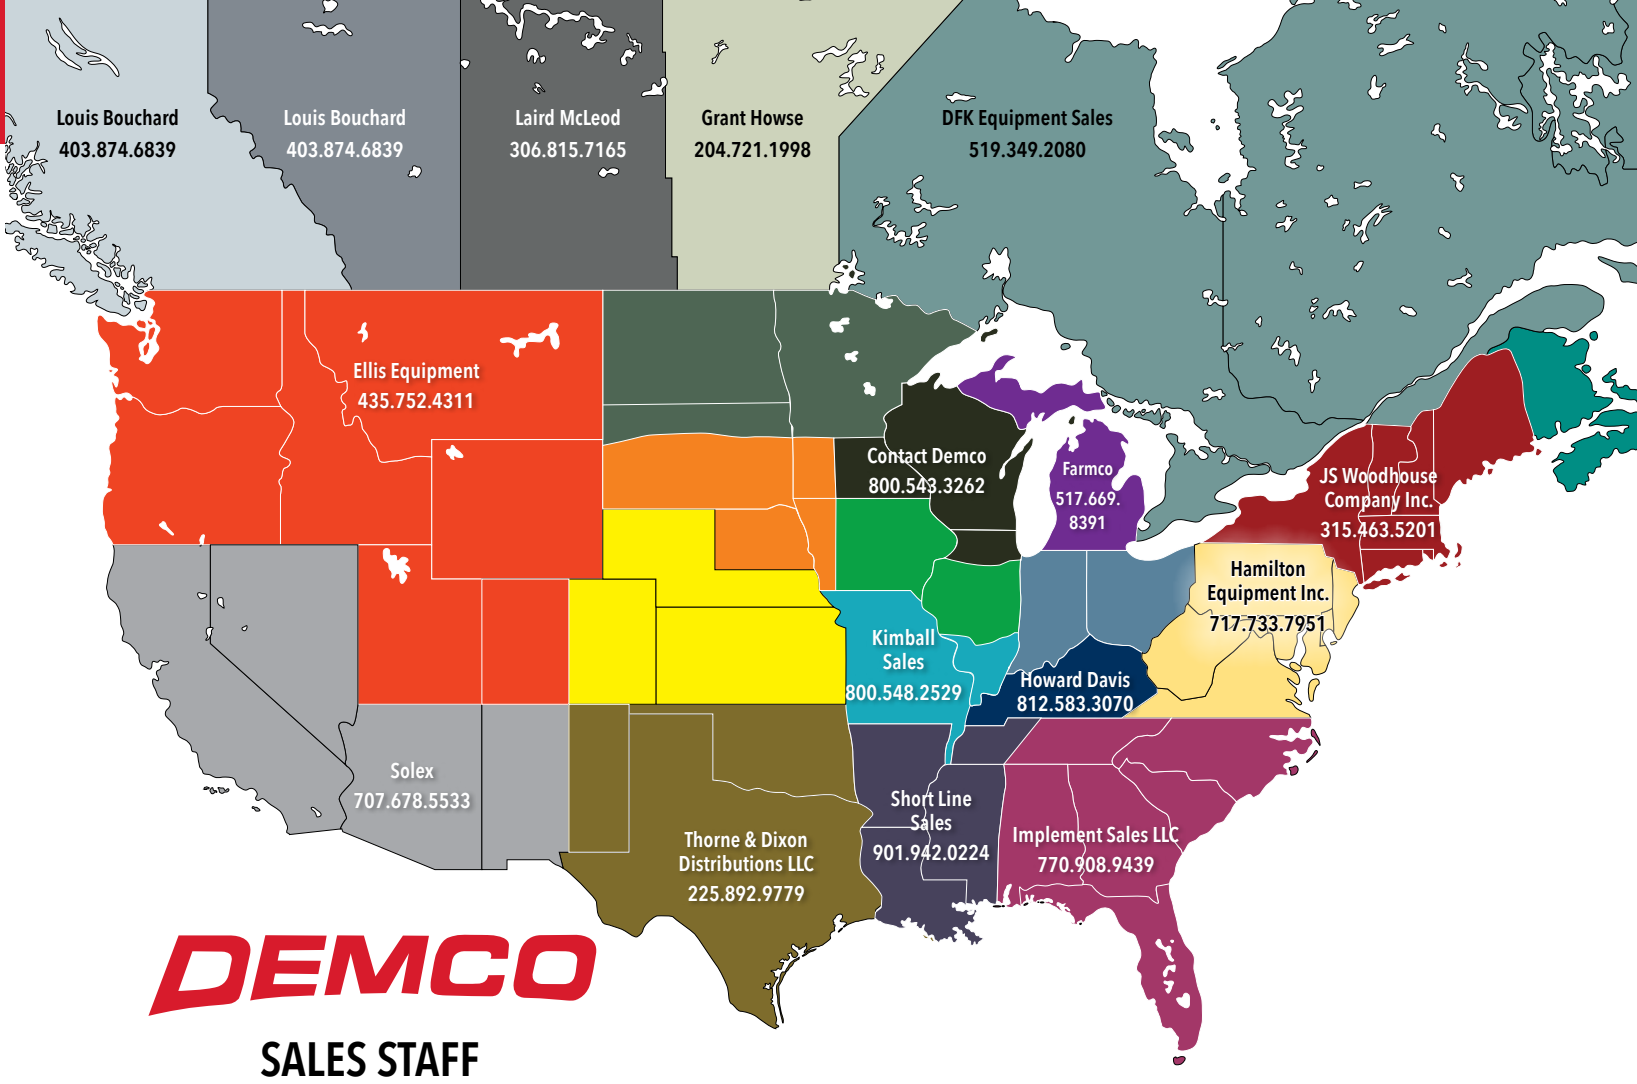

UPS = 150 lbs.

Federal Express = 150 lbs. - per carton.

A pallet charge is added on all freight orders.

RETURNS

NO GOODS ARE TO BE RETURNED WITHOUT A RETURNED GOODS AUTHORIZATION NUMBER AND INVOICE NUMBER. When your order has been filled correctly, the concerned party returning goods must in all cases pay freight, the cost of handling and a 25% restocking charge. All goods to be returned are to be in first class condition. Additional charges will be made for goods returned in other than first class condition.
